Platforms	WordPress · WooCommerce · GitHub Pages
Tools	Git / GitHub · DNS Management · Adobe Photoshop · Adobe Premiere Pro
Other	SEO · Web Performance · Responsive Design · REST APIs · SVG

EXPERIENCE

Front-End Developer

Apr 2023 – May 2024

Intrada Technologies — Muncy, PA

- Built and launched 6 WordPress and custom-coded websites for regional clients including law firms, nonprofits, and manufacturers.
- Managed DNS configuration, site performance optimization, and SEO across a portfolio of 30+ maintained sites.
- Guided non-technical clients through technical decisions, translating requirements into clean, maintainable builds.
- Owned projects end to end — scoping, development, testing, and deployment.

Website Manager

Sep 2022 – Apr 2023

Silent Sound System — Wilkes-Barre, PA

- Managed WordPress sites for multiple startup businesses — plugins, theme updates, content changes, and SEO.
- Secured and configured new domains; improved site performance and search rankings across the portfolio.

Web Developer (Seasonal)

May 2025 – Aug 2025

Quality Pools & Spas — Chinchilla, PA

- Maintained and updated client-facing website content throughout the season.

EDUCATION

B.A. — Web Design & Development

Oct 2019 – Oct 2021

Full Sail University — Winter Park, FL

PROJECTS

Intrada Client Work

mcclaw.com · families4kids.org · lycomingprecast.com

Three full WordPress rebuilds for a law firm, nonprofit, and manufacturer — each designed from scratch and launched end to end.

Portfolio Tools

jjkneiss.github.io

Six standalone browser tools — Round Timer, Tournament Bracket, Site Audit, Sparring Film Room, Grappling Flowchart Builder, Martial Arts Style Quiz. Each a single dependency-free HTML file.
